

Dear Friends & Neighbors,

Point Pleasant-Plumsteadville Emergency Medical Services is very grateful for your support in the past. Your generosity is valuable to help us to continue to serve the community all day and every day throughout the year with emergency medical care.

We have officially kicked off our 2025 fund drive and now is your chance to become a new subscriber or renew your subscription for your home or business. Volunteers are needed for the non-medical side of the organization as well.

We, like all other emergency services are dealing with critical shortage of EMS workers. So PLEASE share this with your neighbors and businesses as an opportunity to help us continue to serve you and your loved ones by allowing us to retain professionally trained staff; purchasing and using the most up to date, state-of-the art lifesaving equipment; meet the increasing cost of supplies; and maintain a continuous state of readiness.

As a contributing subscriber to our non-profit charitable organization (under section 501 (c) (3) of The Internal Revenue Services) not only are you assisting with keeping us fully operational, but your contribution is **100% tax-deductible**. If you need our services a bill is generated and sent to your insurance company. Depending on any insurance agreements there may be a balance that the patient is responsible for. **As a subscriber we will extend a 50% discount courtesy to whatever the patient balance bill is. A non-subscriber is responsible for 100% of any balance. (Refer to example chart on back of brochure.)**

Please return the larger sectioned card to us (make any corrections needed to the front of the card and on the back, fill out accordingly) with your 100% tax-deductible check made payable to Point Pleasant-Plumsteadville EMS or PPPEMS and retain the smaller sectioned card for your records. Any additional contributions above the plan amounts are also 100% tax-deductible and are greatly appreciated.

We also gladly accept and appreciate any Donor-Advised Funds (DAF grants), Memorial Donations, Legacy Gift/Estate/Will Planning, and any Contributing/ Matching Gifts that your employer may offer.

Please note: If your insurance company directly sends you the payment for services PPPEMS has provided to you, you must forward all monies to PPPEMS promptly. If failed to do so and you are a subscriber, immediate termination of our subscription agreement will take place and you will be responsible for all outstanding balances.

Your subscription and optional donations are 100% tax-deductible!

Online payments can be made on our website through PayPal. (Please be sure to include your address plus member number)

CPR and First Aid classes are available to the community. PPEMS is a charitable organization under section 501(c)(3) of the IRS code
